Certificate of Internship

This is to certify that **Vaibhav Pokhriyal**, student of B.Tech 2nd Year in **Computer Science & Engineering (Artificial Intelligence & Machine Learning)** at Govind Ballabh Pant Institute of Engineering and Technology (GBPIET), Pauri Garhwal, successfully completed his **Research Internship** of **3 months** in hybrid mode under my guidance at the Neuro Computing Lab, Indian Institute of Technology Delhi, during the period from **12 February 2026 to 12 May 2026**.

During the internship, he worked on the research project entitled “Hybrid Spatiotemporal Graph Neural Network Framework for EEG-Based Epileptic Seizure Detection”.

Throughout the internship period, **Vaibhav** demonstrated sincerity, dedication, strong analytical ability, and keen interest in research. He demonstrated strong technical understanding of **Machine Learning, Deep Learning, Graph Neural Networks, and Biomedical Signal Processing**, and completed the assigned work in a professional and disciplined manner.

I wish him success in all future academic and professional endeavors.

Yours Sincerely,

(Tapan Kumar Gandhi, PhD)
